

CCGC junior membership form

Welcome to Chelmsford Community Gospel Choir!

Please complete our junior membership form, clearly and accurately, with your parent or guardian. The information you give will help us to look after you when you sing with us and maintain a useful record of all our members.

Safeguarding

Young people are very welcome to join in our choir. We encourage you to listen and join in. However, we can only accept junior members if their parent/guardian is a member of the choir. The junior member can take part in choir activities only when accompanied by their parent/guardian. A junior member's safety, wellbeing and behaviour is the responsibility of their parent/guardian.

Data protection

The information which you and your parent/guardian give on this form may be added to our membership database. We may use it to maintain contact with you by post, email, text message or telephone. No information will be passed to other organisations. In accordance with the Data Protection Act, the membership database will be treated as confidential material, and you can request access to or removal of your own information.

The use of photographs and video clips
There will many occasions when Chelmsford Community Gospel Choir is photographed or videoed. This happens so that we can illustrate and promote our work in a range of ways: posters, flyers, programs, press releases, Facebook, newsletters, our website, YouTube, etc. It is important that members are clear as to how their image might be used and give their written permission. Images are typically of choir members as a group. Images of individual choir member(s) may be used, subject to discussion with and permission from the individual(s) concerned. For children/young people under 18 years of age, permission of a parent/guardian will be sought.
Please read and tick one of the following with your parent/guardian:
<input type="checkbox"/> I agree to be photographed and/or videoed for the purposes outlined above
<input type="checkbox"/> I have concerns about being photographed and/or videoed, as discussed with the Chair and described below:
